

Dear Friend of Home ReSource,

Thanks to local businesses like you, our two annual events—SponCon and Banquet & Benefit Auction—raise significant funds and awareness for our nonprofit Community Sustainability Programs. **Your sponsorship will ensure that the funds we raise at these events directly support our Community Sustainability Programs.** These programs are helping Missoulians today *and* inspiring the changemakers of tomorrow. While our retail store is self-supporting, our job training, Zero Waste, and educational programs require additional funding and would not be possible without community sponsors.

**Spontaneous Construction: Missoula's Annual Festival of Creative Reinvention**  
**Saturday, September 15, 2018 at Home ReSource**

A Missoula tradition now in its fourteenth year, Spontaneous Construction is a building contest and a celebration of reuse featuring great local bands, food, and free activities for all ages. Teams compete to build their greatest creations using any of the materials available at Home ReSource over seven hours amidst a party atmosphere that's fun—and safe—for the whole family. A panel of judges select the winning creations, which are taken to the Banquet & Benefit Auction, and other pieces are auctioned at the close of SponCon. Local media frequently covers the event.

**Banquet & Benefit Auction: Celebrating Reuse, Building Community**  
**Saturday, November 3, 2018 at the Wilma**

Home ReSource friends and supporters come together at our annual fundraising banquet to enjoy dinner and learn about the ways Home ReSource is helping build a more vibrant and sustainable Missoula. The live auction features the top SponCon creations and more! The silent auction offers supporters the opportunity to bid on selected SponCon creations as well as artwork, furniture, services, and experiences from local artists and businesses. Our 2017 event brought together 229 Home ReSource supporters who gave more than \$50,000 to support our Community Sustainability Programs.

Please join us by sponsoring one or both of our 2018 events!

Our generous 2017 sponsors made it possible for our fundraising to support:

- 737 fifth-grade students to participate in our Zero Waste Ambassadors Program (ZWAP!)
- 8 paid positions for teenagers to gain school credit through a hands-on program that provides opportunities for job skills training & community engagement
- 38 low-income students and adults to develop hands-on reuse skills in free community workshops
- 12 people experiencing barriers to employment to receive vocational and green-building training in a safe and respectful work environment
- 300 Missoulians to provide input in the development of the city's ZERO by FIFTY zero waste plan
