

Position Title: Yard Coordinator

Home Resource is a non-profit community sustainability center. We work with, in, and for the community to reduce waste and build a more vibrant and sustainable local economy. We collect and sell reusable materials, channel materials to those in need, provide meaningful work opportunities, and educate & inspire to promote a sustainable future.

Job Summary: The Yard Coordinator acts as the point person for yard improvements and oversees the yard inventory for safety, current inventory capacities, and infrastructure needs. The Yard Coordinator will support the Operations Director and Assistant Store Managers to implement the long term strategic plan for the yard (i.e. infrastructure needs, processing systems) and work with store staff, volunteers, and Work Programs participants to implement the plan and complete yard related tasks.

Reports to: Operations Director; Assistant Managers are the daily supervisors

General Responsibilities

- Communicate and work cooperatively & effectively with staff, agencies, professionals and customers
- Coordinate and use HR channels to communicate effectively with HR staff on relevant topics
- Know & enforce Home Resource policies and procedures; support & model organizational culture
- Take responsibility for resolving communication breakdowns
- Demonstrate good work habits, including punctuality and ability to organize and manage time and information
- Communicate effectively through email, in-person, and on the phone
- Be adaptable to rapidly changing circumstances
- Interact with people in a pleasant manner, even under stressful conditions
- Accept, act on, and offer constructive criticism
- Treat all people with dignity and respect
- Help problem solve on difficult topics
- Project a positive image of Home Resource

Position Responsibilities

- Optimize yard safety and efficiency of storing and moving materials on a daily basis
- Support Home Resource's short- and long-term operational goals related to yard operations
- Oversee organization of inventory, related storage, and infrastructure in the yard
- Implement Standard Operating Procedures (SOP) for stocking, safety, intake, pricing and storage of yard materials and field test and make suggestions for upgrades to SOPs
- Regularly update the yard task list and coordinate the completion of those tasks
- Assist in the training and task delegation of Work Program participants for yard-related projects
- Communicate items to list in the Featured Items email to appropriate staff
- Contribute ideas to ensure efficiency and safety of the yard in the build-out plans and implementation

Skills Required
