

Dear Friend of Home ReSource,

Thanks to local supporters like you, our two annual events—SponCon and Banquet & Benefit Auction—raise essential funds and awareness for our nonprofit Community Sustainability Programs. **Your sponsorship will ensure that the funds we raise at these events directly support our Community Sustainability Programs.** These programs are teaching job skills to Missoulians in need, promoting environmental stewardship for our youngest Zero Waste Ambassadors, and educating community members at all levels about how to reduce waste and build a vibrant and sustainable local economy. While our retail store is self-supporting, these programs require outside funding and would not be possible without community sponsors like you.

Spontaneous Construction: Missoula's 15th Annual Festival of Creative Reinvention
Saturday, September 14, 2019 at Home ReSource

A locally grown and uniquely Missoula event now in its 15th year, Spontaneous Construction is a building contest and a celebration of reuse featuring great local bands, food, and free activities for all ages. Teams compete to build their greatest creations using any materials available at Home ReSource over seven hours amidst a party atmosphere that's fun—and safe—for the whole family. A panel of judges select the winning creations which are taken to the Banquet & Benefit Auction to raise funds for our Community Sustainability Programs. As the 15th anniversary of SponCon, we expect this year to be our biggest and best yet!

Banquet & Benefit Auction: Celebrating Reuse, Building Community
Friday, November 8, 2019 at the Wilma

Friends and supporters come together at our annual fundraising banquet to enjoy locally-sourced dinner and learn about the ways Home ReSource is helping build a more vibrant and sustainable Missoula. The live auction features the top SponCon creations and more! The silent auction offers supporters the opportunity to bid on selected SponCon creations as well as local artwork, furniture, services, and unique experiences. Our 2018 event brought together 232 Home ReSource supporters who gave more than \$100,000 to support our Community Sustainability Programs.

Please join us by sponsoring one or both of our 2019 events!

Our generous 2018 sponsors made it possible for these events to support:

- 100% of MCPS 5th grade classes participating in our Zero Waste Ambassadors Program (ZWAP!)
- 10 paid positions for teenagers gaining school credit through a hands-on program that provides opportunities for job skills training & community engagement
- 49 low-income students and adults developing hands-on reuse skills in free community workshops
- 20 people experiencing barriers to employment receiving vocational and green building training in a safe and respectful work environment
- Hundreds of Missoulians participating in community-wide Zero Waste outreach & planning

Please fill out the enclosed sponsorship form and return it to Home ReSource with your payment.

Call (406) 541-8301 or email sponsorships@homeresource.org

to reserve your sponsorship or for more details.

To ensure inclusion in promotional materials, please return sponsorship form, logo (if applicable), and payment by **Friday, August 9th** (SponCon or both events) or **Monday, October 14th** (Auction only).
