

Dear Friend of Home ReSource,

2020 has brought about lots of changes to our lives and community. Home ReSource is no different. Change is no stranger to Home ReSource, in fact, we welcome it through our doors every day! As we continue to change people's perspectives on reuse in our community, we see materials change hands daily as they stream in and out of our doors. Every year, we witness the idea of sustainable change swirling through the minds of local 5th grade students in our Zero Waste Ambassadors Program (ZWAP!). We see Work Programs participants make powerful personal transformations, and watch our Youth Interns and Apprentices (YIPers and YAPers), who come to Home ReSource at an extraordinary period in their life build their resiliency and ability to tackle new challenges.

Our 16th annual Spontaneous Construction (SponCon!) and *Celebrating Reuse, Building Community*, our Banquet & Benefit Auction, are changing as well. However, what remains steadfast is the community spirit and celebration of creative reinvention that have permeated the events for the past 15 years. SponCon teams will still transform everyday materials that were destined to sit (mostly unchanging) in a landfill. It is that transformation, and the possibility of beauty and excitement that comes with it, that draws the hundreds of community spectators as well participants in the family-friendly reuse activities of SponCon.

This year, *Celebrating Reuse, Building Community* will bring together Home ReSource supporters, whether in small groups or virtually, to celebrate and value the amazing items made at SponCon by local artists and artisans from the community. The evening will highlight and support all of Home ReSource's programs in our most important fundraising event of the year. Though we will not all gather in the same room, guests will still enjoy a locally sourced dinner, a live auction highlighting the top SponCon creations, a silent auction with unique artwork, crafts, services and experiences in this celebration of our collaborative efforts to build a vibrant and sustainable community.

**SponCon: Saturday, September 12th and Celebrating Reuse, Building Community: Friday, October 15th**

Join us by sponsoring one or both of our 2020 events! Your support provides the resources we need to change lives and keep building a more vibrant and sustainable community every other day of the year.

Our generous sponsors make it possible for these events to support:

- 100% of MCPS 5<sup>th</sup> grade classes participating in our Zero Waste Ambassadors Program (ZWAP!)
- 20+ people experiencing barriers to employment receiving vocational and green building training in a safe and respectful work environment each year
- Hundreds of Missoulians participating in community-wide Zero Waste outreach & planning

---

**Please fill out the enclosed sponsorship form and return it to Home ReSource with your payment.  
Call (406) 541-8301 or email [sponsorships@homeresource.org](mailto:sponsorships@homeresource.org) to reserve your sponsorship or for more details.**
